

TAKE A TRIP TO...

INCREDIBLE EDIBLE Todmorden

(as seen on TV's 'River Cottage')

The people of Todmorden have transformed their town by making good use of waste-ground and neglected areas. Where there used to be litter, dust and broken glass, there's now salad leaves, veggies, fruit and herbs – and they're free for anyone to pick!

Every school in the town is now involved with planting and growing. And public bodies – like the fire station and the railway station – are discovering new ways to use their spare land.

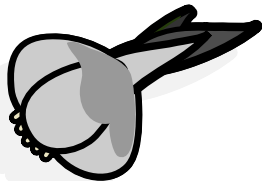

Todmorden already has two community orchards and there's food growing on virtually every street - but there's even more to come!

**AND THE PEOPLE OF BENTLEY,
SCAWTHORPE & TOLL BAR
CAN DO THE SAME...**

Sunday 16th May £11.00

From the NDDT Offices

Mini-Bus
Leaves NDDT
At 8:30am

So join **TRANSITION TOWN BENTLEY (TTB)** as they visit Todmorden to find out just what we can do to improve the quality of life – and food! - in our own area. This is more than just a day-trip; TTB have already spliced the apple trees that will be used to create Bentley's first Community Orchard and are busy identifying plots of land that could be used to create Community Gardens of our own.

TTB meet every second Tuesday of the month, 7pm at Bentley Baptist Church. More details can be found on their blog...
